‘Fabulous Formal for Year 12’

The School hall was transformed into something quite magical last week for our class of 2014 year 12 Formal. A huge thank you to Mrs Carrie McIntyre and her support team for the hours and hours of work and the huge effort that went into making the night one to remember.

137 graduates were joined by their family and friends to celebrate finishing Year 12. Over 300 guests enjoyed a delicious buffet style meal with a ‘Sweet Treats’ dessert and lolly bar to finish with. The photo booth was a hit as always and the dance floor was always full.

The HSC results will be out on the 17th December and whilst some students have already gained early entry to University, others will be waiting on the results to make their decision about which direction they take for their future. We wish all students the very best of luck with their future endeavours and feel confident that you have gained the skills to make the most of your future and will embrace the opportunities that come your way. Goodbye and Good Luck we will miss you all!
Remembrance Day Service

At our school assembly on Tuesday 11 November, Vincentia High School commemorated Remembrance Day and paid tribute to our service men and women both past and present. Defence Transition Mentor Mrs Copeland put together a presentation acknowledging the contribution of Australia’s Indigenous Defence personnel and other young Defence members who served in World War 1.

Mrs Copeland, Mr Hogan and our Cadet students performed a flag raising ceremony and laid two wreaths at school. Following the service at school, Mrs Copeland escorted Defence Cadets Daniel Bergsma, Brandon Pickford, Natasha Cook, Aaron Banfield and Jordana McLaren to Huskisson RSL Sub-Branch Remembrance Day service at Voyager Park.

This poignant service was attended by representatives from the Sub-Branch, Ladies Auxiliary, HMAS Creswell, Shoalhaven City Council and other local organisations and members from the community. Vincentia High School was the only school present at the service, which was highlighted in the address given by the Commanding Officer, Steve Hussey, from HMAS Creswell.

The Huskisson RSL President, Mr Greg Tindall, thanked the students for attending the service. Following the service, one hundred pigeons were released to represent each year of the centenary of World War 1. The students received a lot of praise from the older members of our community for attending the Remembrance Day service.

Learning Valuable Skills in Construction

Under the instruction and guidance of teacher Mr Brendan Gibson, the year 11 construction class are learning to design and build outdoor furniture, cubby houses and cabins. The outdoor table settings with a shelter will be placed around the school for students to use at recess and lunch. A cabin will be used in the agriculture farm and some will be available for sale.
Remembrance Day
11 November

In Flanders Fields
poem by Lieutenant Colonel John McCrae, 3 May 1915:

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

lest we forget
NAPLAN Success for Vincentia High

This year our NAPLAN results for students in year 7 to 9 show the most improvement of any school in the Illawarra South East area. Our NAPLAN results show an upward trend whilst the State trend has been on a steady decline for the past few years.

Vincentia High School has been involved in a National Partnership to improve the literacy outcomes of our students. The Commonwealth Government has funded our program over the past two years due to the significant number of students who experience socio-economic disadvantage.

Our school NAPLAN and Higher School Certificate results have shown that there is a gap between our results and overall state results. The funding is used to help close the gap.

The school results are shown in green at the bottom of the graph while the top line represents all students across NSW. Even though our results are still below the State scores, they are consistent with other low Socio-economic status schools. However, the best news is the rise in the graph over 2013 results show an upward trend whilst the State trend has been on a steady decline.

These results prove that the programs put in place at Vincentia High through National Partnership funding are working to close the gap between our school and other schools who have greater socio-economic advantage.

Celebrating our school spirit!

The values of Vincentia High School are

Respect, Responsibility & Personal Best

Tickets have been donated to the school by Integrity Real Estate in recognition of our school values.

This weeks recipients are:

Bronte Trew, Caitlyn Warren-Bolte, Teneshia Ross, Jackie Milani, Erin Steeles Talia Rodrigues - Year 7
Exceptional school and work ethics

Courtney Edwards - Year 7
Awesomeness in her TAS assessment “Space Base”

Elyse Marr - Year 9
Amazing in designing and working on the MTB track around the school and showing the boys how to do it.

Jayden Gilby - Year 10
Handing in an ipod he found yesterday in the hall after lunch.

Natalie Hooper - Year 11
A very hard worker who always tries her best and strives to achieve perfection in her work, she is amazing in Retail Services

Kristen Bradshaw - Year 11
Above and beyond in CAFS Year 12, Term 1 Kristen embraces a community feel in the class. Helps others with her knowledge and notes and follows all Vincentia High School PBS initiatives. A lovely person to have inspiring Year 12 and setting high standards for the Vincentia High School Community.

These values can be shown in many ways within the school community. It is these actions of our students that we, as a school, are proud of and wish to acknowledge.

Each week a student/s from the school, in any year, will receive a FREE movie ticket to the Huskisson Theatre as recognition of their VHS spirit.

Congratulations to our winners!
A reminder to parents to notify the school about your child’s health

We welcome information from parents about their child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as Asthma and Diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

Important Information for Parents

Students having time off school during the term

A number of requests have been made recently, by parents, for the school to provide work packages for students who are going on vacation during term. It is not school practice to provide work packages for this purpose. Extenuating circumstances such as long term illness, misadventure or long term suspension are when work packages are provided.

Any student taking holidays for three months or longer is required to apply to Distance Education. If students are going to be absent for more than two days, notification should be made to the school by phoning - 4441 6766, and informing Mrs Simpson who is the Attendance Officer. If Mrs Simpson is not available you can leave a message with reception which will be passed on to Mrs Simpson. A note explaining any absence from school must be provided on the next day of attendance. This note must contain the student’s full name and be signed by the Parent/Caregiver stating the reason for the absence.

Process for students taking holidays during the term:

If you are intending to take your child on holiday within the school term you are required to obtain an ‘Application for Exemption from Attendance at School’ form from the front office. At least one week’s notice is required, preferably longer to allow for processing.

The Principal is required to sight this form and provide the Parent/Carer with a ‘Certificate of Exemption from Attendance at School’.

Steve Glenday
Principal.

Amnesty on Sporting Equipment

Students and Parents

It appears that many items of sporting equipment has been borrowed by the students to retain at home for recreational purposes. While active play leads to positive levels of health, the loss of school equipment severely impacts on physical and health outcomes for all students and the ability to deliver physical education on an individual learning basis.

No equipment (eg. Soccer balls, footballs, basketballs) has been lent to students to keep at home.

As such, we request the assistance of students and parents to return any sporting equipment that may belong to the school for the next two weeks. No questions will be asked during this amnesty period.

The equipment can be returned to the PE staffroom before school, recess or lunch.

Replacement of equipment costs a significant amount of money. This money would be better spent on sourcing new equipment and developing new programs that further advance the physical and health needs of students.

Your assistance in this matter would be greatly appreciated.

Camp Gallipoli

Camp Gallipoli is a once in a lifetime opportunity for all Australians and New Zealanders to come together on the 100th anniversary of Gallipoli to sleep out under the same stars as the original Anzacs did 100 years ago.

In a series of historic locations around Australia and New Zealand, families, schools and community groups are invited to join in a special night of remembrance, entertainment, mateship and the birth of that special Aussie & Kiwi ANZAC spirit. Each venue will have spaces set aside for camping using swags, just like the Diggers did. There will be entertainment, special guests, movies, documentaries, great food options and a very special Dawn Service on Anzac day itself.

Camp Gallipoli has been fully endorsed by the Anzac centenary committee, Department of Veterans Affairs, Federal Education Department, RSL and Legacy. For more information go to : www.campgallipoli.com.au

Dealing with cyber bullying

Like other forms of bullying such as verbal abuse, social exclusion and physical aggression, cyber bullying may result in the targeted person developing social, psychological and educational issues. While cyber bullying is similar to 'real life' bullying it also differs in some ways:

- it can occur 24/7 and a child can be targeted at home
- it can involve harmful material being widely and rapidly sent to a large audience, for example, rumours and images can be posted on public forums
- it can provide the bully with a sense of relative anonymity and distance from the target, so there is a lack of immediate feedback or consequences.

Here are some basic steps to help deal with cyber bullying

Ignore it - don't respond to the bully. If they don't get a response they may get bored and go away.

Block - the person. This will stop you seeing messages or texts from a particular person.

Tell someone - tell an adult you can trust. You may want to talk to your mum, dad or a brother or sister. You can contact the Cybersmart Online Helpline service, call Kids Helpline on 1800 55 1800, visit the Kids Helpline website or the Headspace centre.

Keep the evidence - this can be useful in tracking the bully down. Save texts, emails, online conversations or voicemails as evidence.

Report it to:

- your school - they should have policies in place about bullying and cyberbullying.
- your ISP and/or phone provider, or the website administrator - there are actions they can take to help.
- the police - if there is a threat to your safety the police will help. Call Triple Zero (000) or Crime Stoppers on 1800 333 000.

Further information about cyber bullying is available at the Cybersmart website.
