Dear Parents/Caregivers & Students

As 2014 rapidly draws to an end, I wonder where the year has gone. It seems only yesterday we welcomed year 7.

**Outstanding HSC results have been achieved by our 2014 Year 12.** Every KLA achieved a band 6 - the first time since the opening of the school. Individual student results indicate the highest number of students with a 90+ ATAR have been achieved this year, this includes two students who achieved five band sixes. A more comprehensive list follows. **Congratulations to all 2014 Year 12 students, we wish you the very best in your chosen career.**

2014 has been a remarkable year with so many wonderful student achievements, Grace Kennedy competed in the Rolex Sydney to Hobart Yacht Race, Nellie Gray won the ‘Australian Writing Competition’, Ben Staeker won the ‘Victor Chang Science Award’, Jason Huntsman won the State Athletics Title, Troy Whittington, 1st in the Huskisson Triathlon, Harley Grundy held a Photographic exhibition at the Australian Museum in Sydney, Chloe Jones won the UOW Shoalhaven campus ‘Design a Tshirt Competition’, our Mountain Bike Team competed again this year at ACT Mountain Bike Championships many of our competitors doing amazing things, our Under 15 Girls won the South Coast Soccer, our Alpacas achieved two 2nds and a 3rd at the Royal Easter Show, and this year has seen the development of our show breeding for chooks with outstanding results in a number of shows. In 2015 we hope to enter chooks in the Easter Show. We have had ten students complete judging competition courses and all have achieved at a high level. There are lots more stories of achievement, too many to list completely, and I congratulate everyone who has represented the school, in any way, during the year.

The schools **NAPLAN results have shown the greatest improvement of any like school on the South Coast.** Our VET results have again been outstanding with students achieving eight 1st places. **Students of the year were June Norton, Johnathon Blackman, Emma-Mai Bentley, Lilyan Orchard, Mikaela Rodrigues, Cody Brown, Gina Kelly & Aaron Phillis.** **NSW Housing Scholarships** were awarded to Nina Fisher-Brown & Shakeela Williams for their commitment to education. The **Indigenous Ranger Cadetship Program** continued this year with twenty one students gaining their Certificate II in Conservation & Land Management.

In the area of community involvement students have raised a significant amount of money for different charities through RUMAD, RUOK, Biggest Morning Tea and many other dedicated days and fundraising ventures.

All these wonderful things can only happen with dedicated staff who care for all and educate our students. I also thank the community for their enormous support to the school throughout this year, and look forward to developing these relationships in 2015.

I wish everyone a happy and safe Christmas.

Steve Glenday

‘What’s on the Menu?’, Food Technology and Hospitality students enjoyed an excursion to the Sydney Tower last week.

It was an early start on the 6.30am train from Bomaderry.

The students had a tour of the main kitchen and the restaurant before it opened for lunch. The restaurant takes 70 minutes to do a revolution with amazing views of the city and Sydney Harbour.

The buffet lunch included a variety of hot and cold dishes from around the world and the students were encouraged to try something new. Some were brave enough to have the emu and crocodile sausages!

Fishing Day

Last Wednesday, 10th December, 16 students from the Support Unit headed to Greenwell Point to enjoy a day on ‘Escape Fishing Charter’. The boat is a 52ft Westcoaster which accommodated 16 students and 4 staff.

The students climbed aboard and were greeted by Gary Crocker (skipper) and Barry (deckhand), a few rules and safety talks were given as we headed towards the bar. The students put on their life jackets and we headed out into the ocean. It was nice and calm as we went about 4 miles north east.

Michael Stark caught the first fish of the day - a gummy shark. Plenty of flathead were caught, most students were hooking two at a time.

The North East winds picked up and the boat started to rock, a few students laid on the deck with upset stomachs. A BBQ was cooked, unfortunately didn't help with our students stomachs, a few facing the water to relieve their pain.

We headed back to the shore and students had a short fish on the jetty while their catch was filleted by Ray and Barry. A great day was had by all.

Many thanks to Gary and Barry for patience, assistance and knowledge to make it a successful 4 hours of fishing.

‘Escape fishing Charters’ out of Greenwell Point is highly recommended by the Support Unit. You will find them on facebook or at http://www.escapefishingcharters.com.au/
The School admin Team at Vincentia High School wish everyone a very happy and relaxing Christmas and look forward to assisting you in 2015.
MOUNTAIN BIKE FUNDRAISER
BUNNINGS NOWRA

Vincentia High School’s Mountain Bike Fundraiser at Bunnings Nowra on Sunday, 14 December raised over $1,100!

Many thanks to staff, students and parents for their support in making this possible. Thanks also to local businesses; Bakers Delight, Vincentia, Bakers Delight, Nowra Mall, Bakers Delight, Stockland and Nowra Fresh Fish & Meat markets.

The money raised will assist in the purchase of new jerseys and subsidise costs of travel and accommodation for our mountain bikers next year.
