Vincentia High School Athletics Carnival 2014

Our annual athletics carnival was held on Wednesday May 21st. With excellent weather and an outstanding participation rate the day was a great success.

The students were well behaved and enthusiastically cheered on their housemates. House spirit and a passionate display of house colours from the students and staff was remarkable.

A big thank you to all the staff members, especially the PDHPE staff, for their assistance on the day, allowing the carnival to run smoothly and effectively. Thank you also to all students who contributed to make the day successful and a special thank you to those Year 11 & 12 Sport Lifestyle & Recreation students who made sacrifices on the day to assist staff.

All students should be pleased with their efforts and should be congratulated on their high level of participation and excellent representation. There was a large number of talented athletes on the day that advanced onto the Shoalhaven Zone Athletics Carnival, which will be held on Wednesday June 4th at Shoalhaven High School.

A big thank you also to the St Georges Basin Little Athletics Club who not only provided equipment, prepared the field and set up equipment, but also packed up at the end of the carnival. Student donations of $1 go a small way to assist in the further development of local athletics.

The age champions on the day were:

- Yrs 9/10 Half Yearly Exams

SCHOOL BUS TRAVEL
Students travelling on a school bus to and from school are required to have a valid school bus pass for the school service they are catching. If a valid school pass cannot be shown a fare will be charged. In the event the school bus pass is lost, some form of student ID is to be shown whilst obtaining a replacement pass (fee applies). You can help make your child’s school journey more pleasant by ensuring your child has a valid school bus pass and presents it to the driver in the morning AND afternoon. Parents are reminded that the School Free Travel is only valid from home to school as per conditions on the back of the pass. Fares will be charged for all other journeys.

If you have any questions or your child requires a new pass please contact the appropriate company

TERM DATES:

Term 2 2014
28th April - 27th June 2014

Term 3 2014
14th July - 19th September 2014

Term 4 2014
17th October - 19th December

Parents and students are requested not to use the staff car park - this is dangerous and causes congestion
In 2013 Vincentia High School designed a program to improve literacy across Stage 4 (Years 7 & 8) which saw members of the School Executive working in classrooms with teachers, to identify the way to best teach writing skills. A target of a 10% improvement was set for this project in Year 7, and maintenance of Year 8 results at their baseline assessment. (Across the Nation students show a decline in results from Year 7 to Year 9).

The school achieved its 2013 targets, with some significant improvements in writing scores, by Year 7 students especially. We are continuing this program into 2014 with some improvements. We now have specialist literacy teachers who work with teaching teams across Years 7 & 8 to identify the best strategies for teaching writing and comprehension. Lisa Raftery & Maryann Meehan, very experienced literacy teachers, have been working with Year 7 & 8 since the start of the year and we have recently lured Jerry Brown, a Year 6 teacher, across from Sanctuary Point Public School to share his expertise in teaching literacy.

When students enter Stage 5 (Years 9 & 10) they will encounter more homework as they are pushed more toward being independent learners. The tasks that they have been guided through previously, they will now have to complete individually, but the assistance they have been provided with in Stage 4 should set them up for success. Last week, during NAPLAN, Year 9 proved how capable they are and showed the hard work they, and their teachers have put in over the past two years, in all subjects with literacy and numeracy skills. Students made excellent attempts at all question with increased length and skill of writing, better comprehension skills and increased understanding of mathematical techniques.

Vincentia High School is proud to see the improvements in both skill and commitment to learning that students have made over the past two years, the students themselves should also be really proud of the confidence and effort they put in over the 3 days of NAPLAN.

The effect of homework on achievement increases with age and is vital to success in the senior school, working toward the HSC. Students in Years 9 & 10 should be doing 30 – 45 minutes per day while Year 11 & 12 should try for about 1 – 3 hours per day and up to 6 hours per weekend during the school term.

All stage 5 students are now preparing and completing their current assessment tasks and should be using this 30-45min each night to study and prepare for their exams. Each student has 8 subjects with a variety of assessment tasks and exams due over the next three weeks, this is their final reminder to be prepared and organised so that all assessment tasks are on time and they are prepared for each exam.

We at Vincentia High School have noticed a marked improvement in students' personal best and challenge all students to improve their performance in each task they are given. Good luck for your half yearly assessments, but more importantly remember you create your own luck with hard work and commitment. The individual that works harder than anyone else will get the results they deserve, and remember that if you need motivation to be the best you can be, just always think there is someone out their working harder than you and you have to work even harder than them. Never give up, and provide no excuses.

Yours In Education
Felix Bachmann
Deputy Principal Stage 5 (Relieving)
The values of Vincentia High School are
Respect, Responsibility
& Personal Best

Tickets have been donated to the school by Integrity Real Estate in recognition of our school values.

This weeks recipients are:

Harley Grundy & Krista Houston- Year 12
Attended a fully sponsored ‘Youth Leadership’ camp in Mogo. The students were exemplary and found the camp enriching.

A massive congratulations goes out to Harley Grundy our Year 12 Photography student. He has been selected as part of a national exhibition of work, showing in Darwin. This is a testimony to his talent and is a wonderful opportunity for him to represent our school and his local community.

Nicholas Goddard Year 8
For always doing his personal best and considering the well-being of others.

Hayden Turner Year 8
On the day of the Athletics Carnival he spent a good 2 hours helping out with the High Jump! He was super helpful.

These values can be shown in many ways within the school community. It is these actions of our students we, as a school, are proud of and wish to acknowledge. Each week a student/s from the school, in any year, will receive a FREE movie ticket to the Huskisson Theatre as recognition of their VHS spirit.

Congratulations to our winners!
Aboriginal Education
Consultative Group

The AECG is the leading consultative body for Aboriginal education in NSW. The Bays and Basin Local AECG meet twice a term to discuss Aboriginal Education in our area. We encourage Parent and Community participation at these meetings and extend an invitation to any interested persons to attend. Following are the Dates for 2014.

Term 2:
11th June - 4pm - Vincentia Public School.

Term 3:
30th July - 4pm - St Georges Basin Public School.
27th August - 4pm - Sussex Inlet Public School

Term 4:
22nd October - 4pm - Vincentia High School
9th November - 4pm - Sanctuary Point Public School.

National Photography Competition

Vincentia High would like to give a massive congratulations to our year 12 photography student, Harley Grundy. He has been selected as part of a national exhibition of work, showing in Darwin. This is a testimony to his talent and is a wonderful opportunity for him to represent our school and his local community. His photo speaks of hope and is hauntingly beautiful. It is of a derelict stone cobbled train tunnel. We are very proud of him! What a star!

The National Aboriginal and Torres Strait Islander Art Award (NATSIAA) was established in 1984 as the National Aboriginal Art Award by the Museum and Art Gallery of the Northern Territory. The Award is an important showcase for both established and emerging artists and has come to be regarded as one of the premier national events in the Australian Indigenous art calendar. The Award attracts a range of Indigenous artists from all parts of the country and about 100 works are selected each year from around 300 entries.

Furthermore Harley has another of his photographs taken along the boardwalk at the Lady Denman, being published in a calendar ‘Shoalhaven through my lens’. The proceeds from the sale of the calendar will go to charities supported by the Rotary Clubs of Nowra, Sussex Inlet and Milton Ulladulla. Harley is a year 11 student in the CAPA Photography class at Vincentia High.

Well done Harley!
Year 11 CAPA Photography student Nathan Benjamin won a competition to become a ‘Movie Director for a day’. Nathan dressed up as The Joker when he attended the Super Nova Pop Culture event in Sydney recently. His photo was put on the Facebook page for the making of the horror movie ‘Lighthouse’ and received the most votes. Nathan met the Producer/Director Craig Henry and has been invited back to spend a day on the set with him in July. Nathan is interested in movies as a career choice when he graduates from High School. Good luck Nathan, Vincentia High wishes you well.

These workshops are held prior to the P & C meetings each month in conjunction with Bay & Basin Community Resources. These workshops are designed to engage, enthral & enlighten the life and times of teenagers, adolescent psychology and the trials of moving through high school to life and beyond ……..

**Location:** Library  
**Time:** 6pm to 7.30pm

Interested parents and carers are invited to stay for the P & C Meeting where you can have your say and become involved without school community. Join us for light refreshments and a stimulating time…
Pecha Kucha is on **this Sunday, 1st June - between 4-6pm** at The Huskisson. It is a free event. Three of our year 12 students are presenting slide shows of 20 images shown for 20 seconds each photo. **Nathan Benjamin, Harley Grundy & Courtney Horvatovic** are presenting their photos.

Everyone is very welcome to join us. I am very proud of the beautiful photographic work these students will be presenting. You can find more information in the Seechange booklet.

M Hudman
Photography Teacher

**Rotary Camp**

Last weekend **Harley Grundy and Krista Houston** attended a fully sponsored **Youth Leadership Camp in Mogo**. The students were exemplary and found the camp enriching.

Our local rotary clubs have been sponsoring our students for two camps a year over the past six years. Students are selected on the merit of being good citizens who need encouragement to build on their leadership potential and display a caring nature. Both students may benefit from a pat on the back for a job well done.

Vincentia High School would like to publicly recognise Rotary for their generous contributions.

---

**Meg Anderson**

Vincentia High School is very proud of Yr 10 student, Meg Anderson. Meg sailed in the **NSW All Schools Sailing Championships** at Belmont on Lake Macquarie from 12th to 16th April this year with her skipper, Nick Eastment, on a Hobie 16ft catamaran.

There were 7 other 16ft catamaran’s in the regatta, and 122 boats overall.

Having had very little training together (Nick’s original crew had to pull out) and being Nick’s first time skippering in a regatta, they did very well, coming 4th out of the 16ft cats, and 37th overall.

The regatta was a great experience for all the students involved. **Well done Meg!**
The Australian Physie and Dance Association is now taking registrations for Term 2.

All ages and abilities are encouraged to come and try a free class and experience this fantastic and inexpensive, nationwide dance sport. Your registration includes a free dvd and cd with all the dances for you to practice at home. Performance opportunities include teams, individual competition, nationals, Sydney Opera House, eisteddfods and more. Classes operating in Nowra, Culburra and Vincentia. For more information please email shoalhavenphysiedanceschool@hotmail.com or phone 0410 605 249.

**TIMETABLE AT VINCENTIA PUBLIC SCHOOL**
Tuesday, 3.30pm - 4.00pm Preschoolers
4pm - 5pm 5/8 Years
5pm-6pm 9/12 Years
6pm-7pm Teens
7pm-8pm Ladies/Mum

---

K-12 Tutoring

**Extremely competitive rate**: $40 for a single hour lesson per week or $38 per lesson if paid for one school term in advance.

Will focus on specific choice of subjects or all.
All ages welcome and *I will come to you!*
I am a Postgraduate (4th year) University student studying a Graduate Diploma of Education – Primary. I have also had almost 4 years of experience in the field of Junior and High School tutoring. My previous students have all received outstanding results!

Get in quick before all places have been reserved for 2014!

Phone: Zac on 0423770996 (text or call)

Huskisson
Entry Fee: $10 per person

For bookings phone Melinda 0429222633 or Peta on 0423579590

SPEECH PATHOLOGY and OCCUPATIONAL THERAPY APPOINTMENTS

SPO TAKES will be conducting Speech Pathology and Occupational Therapy appointments at Cuttengriff Aboriginal Child and Family Centre in Holloway Road, East Nanara each Tuesday and Friday.

The Speech Pathologist is Lisa Halpa. The Occupational Therapist is Jessica Kenyon.

Referrals:
When SPO TAKES acts as a private practice there are a number of funding options available for eligible children. Please note that SPO TAKES and providers for all of the funding options listed below. Please use the outline of the funding options as a guide only as funding items are subject to change.

1. Enhanced Primary Care Plan (EPC) (also known as GP Management Plan)

(a) The client is 5 Medicare related allied health services (Speech Pathology, Occupational Therapy, Physiotherapy etc) per calendar year. There are two main criteria as follows:

(i) The symptoms or diagnosis must have been present for six months or is expected to be present for six months (i.e. a chronic diagnosis).

(ii) The client has the need for two allied health professionals (Occupational Therapy, Speech Therapy, Physiotherapy, Psychologist etc).

The EPC can only be completed by the child’s general practitioner (GP) and the provider of an EPC at the GP’s discretion based on eligibility criteria.

2. Helping Children with Autism Package (HCWA)

(b) Children 0-4 years of age with autism or autistic spectrum disorders, are eligible for up to $12,000 of funding from the Department of Social Services (DSS) to increase access to early intervention. They are allowed to spend $8,000 maximum in any one financial year, and up to $2,000 of that may be spent on recommended equipment.

(c) As of 1 July 2008, all children 5-17 years with autism or who are on the autistic spectrum (ASD) are entitled to 4 Medicare subsidised allied health assessments and 20 intervention therapy sessions for allied health professionals (Occupational Therapy, Speech Pathology and Psychologists). Children with less prevalent pervasive developmental disorders such as Rett’s Disorder, Asperger’s syndrome and Disintegrative Disorder are also eligible.

The process to gain access to this funding is as follows:

The child’s parent needs to get a referral from the GP to the paediatrician or psychiatrist who made the diagnosis, who can then refer to the allied health professional such as us. There is no specific referral form for this – a letter with the paediatrician’s or psychiatrist’s letterhead only is required. It is our understanding that the paediatrician/paediatrician assistance is also subsidised. The assessment is carried out on the development of these areas. If you already have any services for your child, you can also access the ASD component of the EPC, and you will need to let the provider in the assessment what services your child is already accessing and what services your child needs.

If you do not have children aged 5-17 years with autism or on the autistic spectrum, you can contact us to arrange an ASD assessment. For children aged 5-17 years who have not attended an ASD assessment, you can book an ASD assessment through the Essential Employment & Training. (see page 4).

3. Care Plans for people of Aboriginal and Torres Strait Islander descent

As of 1 November 2008, a new initiative to assist people of Aboriginal and Torres Strait Islander descent was introduced. This initiative entitles eligible clients to 5 Medicare related allied health sessions (e.g. Speech Pathology, Occupational Therapy) per calendar year in addition to an EPC (number 1 above).
